CONNELLSVILLE LOST.

Defeated by the Uniontown
P. O. M. Champs Ten
to One.

SOME CLEVER FIELDING DONE.

Uniontown Banged the Ball to All
Corners of the Park, While the Boys
From the Coke Center Could Not Lo-
cate the Sphere—Notes of Game.

The Connelville West Penn base-
ball team played its first real prac-
tice game of the season with the Un-
iontown champions of the P. O. M.
League yesterday afternoon at Cycle
park, Uniontown, and were defeated
by a score of 10 to 1. The score does
not indicate the character of the
game. While the Champs hit the ball
hard and almost at will during the
latter part of the game, still there
were many good fielding stunts. Ex-
cept in hitting the Connelville boys
held their own. Their fielding was as
good or better than that of the cham-
pions. They were weak at the bat,
although in the first three innings
Kruger was not a hard proposition.
He grew stronger, however, and when
Alex Pearson took up the task he
fled the boys from the Center of the
Coke region at his mercy.

Uniontown has a ball of swatters
that will make many a pitcher in the
P. O. M. sick at heart before the sea-
son is over. Every one of them is a
sticker.

Connellville scored first in the op-
ening inning. After Whalen was out
Amby was passed to second. Danny
Hart banged a single to middle. Es-
ler struck out and Tiffany singled to
right, scoring Amby. Uniontown tied
the score in the second when Raley
lined a screamer over the right field
fence. In the fourth Uniontown scored
six runs. Rudolph was out to Whal-
en. Keller singled and was out try-
ing to steal second. Ulrich hit to
right for two bases and scored on
Willie's single. Whalen dropped
Pearson's fly in right and Ulrich scored.
Brent got a base on balls and
McClosky hit to right for a single.
Roberts then smashed a three-bagger
and Pearson, Brent and McClosky
scored. Raley scored Roberts with
a single. Rudolph flew out to Essler.
In the seventh Uniontown scored two
runs. Raley got four bad ones and
walked. Rudolph hit to middle and
Raley went to second. Keller was
out on a hit to first and Raley and
Rudolph were advanced to third and
second, respectively. Willie hit on fly
to right; Reitzel batted for Ulrich and
his three-base hit scored Raley and
Rudolph. Pearson's single put Re-
tzer on third. Brent was hit by a
pitched ball and McClosky retired the
side with a line drive to first. Two
runs.

Uniontown scored again in the
eighth on Roberts' two-base hit and
Rudolph's three-base hit which he tried
to stretch into a home run, being
caught at the plate by a relayed throw
from right to second and home.

In Connelville's half of the ninth
Birmingham hit singled, but did not
score. Amby and Pearson's out, how-
ever, flooded out to Willie. The score:

Notes of the Game.
With two strikes and three balls on
him John Raley lifted one of Gaiser's
straight ones over the right field
fence for the first home run of the
season at Cycle Park. When the big
Cumberland fellow lands right on the
ball it is always ticketed for some
distant point.

The side should have been retired
with only a run in the fourth inning.
Danny Whalen dropped a hard line fly
after two men were retired. Then
the Champs opened up and for a min-
ute it rained base hits.

Just stuck a pin in this prediction:
Maloy will not last the season through
as an umpire in the P. O. M. His judg-
ment is bad on balls and strikes. He
called Birmingham out at third early
in the game when the little third sack-
er was safe on a slide by a yard. It
was apparent to every spectator on
the bleachers that Roberts was sur-
prised when Maloy called Birmingham
out.

Hart and Tiffany pulled off a pre-
tty double play in the fourth inning.
Kruger was not hard to solve in the
early innings for the Connelville
boys.

THEATRICAL.

Plays Booked for the Colonial Thea-
tre in Near Future.

The "Black Crook, Jr.," burlesques
who are booked to appear at the Co-
lonial Theatre Saturday night are de-
scribed as a gathering of showy gowns
and snowy shoulders. It is certain that
the costumes are all the limit attain-
ed in the dressmakers' art and the
ladies of the chorus have been select-
ed with special care with the view of
having the prettiest and most charm-
ing gathering of girls obtainable.

Two burlesques are reproduced, and
five big vaudeville acts are introduc-
ed and all in all, the performance is
so constructed as to satisfy the most
insatiable seeker of amusement.

Raffles.
S. Miller Kent, undoubtedly the fore-
most portrayer of romance character,
will read the boards of the Colonial
Wednesday, April 21, in the title role
of a play which is the season's thea-
trical sensation, "Raffles, the Amateur
Cracksmen."

The coming of the handsome and
effortless actor is in itself an
event to look forward to, and it is
made of double importance in consid-
eration of the delightful character of
the play and of the remarkable cast
with which he is surrounded. Mr.
Kent's role, that of the gentleman-
burglar-philanthropist, a picturesque
in the extreme and call for all the
physical grace and subtlety of which
this actor is well known to be pos-
sessed.

A Romance of the Passion.

Lester Hoover and her players in
"Crucifixus, a Romance of the Pass-
ion" is one of the noteworthy thea-
trical attractions of the season an-
nounced for Monday evening, April 23.

Every man on the Connelville
team has a good whip. Uniontown
had nothing on the Connelville boys
in fielding in yesterday's game.

Moran coaches his pitcher in nice
style. He keeps talking all the time.
The big red headed fellow is full of
ginger. During the season not many
of them will run over him at the home
station either.

Crozier caught Rudolph at the plate
when the latter tried to score on an
out in middle. Moran had the run-
ner by more than a yard. It was a
long and accurate throw.

Red Hinton did not play, having
been called home by the illness of his
mother.

Uniontown is fifty per cent. strong-
er now than it was in mid-season last
year.

That Pearson fellow is a fox. He
mixes up the slow ones with a fast
shoot and all of them are hard to hit.

Keller of Braddock, the Uniontown
first sacker, will give Paul Jones Davis
a hard run on the regular berth at the
infield station.

McCloskey looks good on second.
He can hit and field like all of the
men. Marty Hogan always surrounds
himself with.

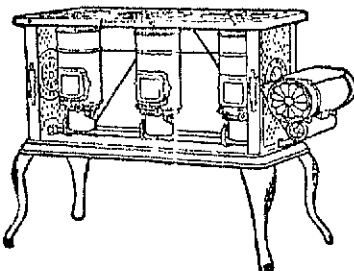

Rev. Bowman's Sermon.
Rev. W. Scott Bowman of Union-
town will preach this evening at 7:45
in the Presbyterian Church. All are
invited. There will also be service
tomorrow at 2:30 P. M. Communion
service will be held Sabbath.

PRIMARY REFORM;

THE VEST-POCKET BALLOT.

One of the victims claimed for the admittedly crude and imperfect Lytle primary bill is that the voter is permitted to mark his ballot outside of the voting place, bring it to the polls enclosed in an envelope, and thus vote it there.

It is claimed by the advocates of this bill that there is no voter more independent than the vest-pocket voter, and they draw a very fanciful picture of the citizen, sitting in the bosom of his family debating with his wife and sons and daughters how he shall vote, and in the family council marking his ballot. The men are few, indeed, who do this. It is a rare thing for the lord of creation to consult the women of his flock as to how he shall vote.

On the other hand, how convenient it will be for the political bosses to prepare the ballot at headquarters, conclude the purchase of the votes there and send a trusty with the vote and the voter to see that the goods are delivered exactly as specified and settlement is made C. O. D. It is much easier, more systematic, less troublesome and more safe than sneaking in "assistance" and paying in advance for what is sometimes a bad chance.

Senator Quay was avowedly a practical politician. He favored the vest-pocket ballot. "Farmer" Cressy poses as a reformer, but he professed to see great merit in the Lytle bill. Scratch the back of a professional reformer, especially one who is a personal candidate, and you find a professional politician.

The primary election law promises to come out of the Legislature considerably the worse from the numerous attempts of alleged reformers to improve it.

RAILROADING IN DELIBERATIVE BODIES.

The Town Council has called a meeting "to repeal an ordinance" passed hastily and perhaps without proper consideration at its last meeting.

The purpose of the ordinance, or resolution, or whatever shape the measure finally took, was proper enough. It sought to aid the town in finding a site for the proposed new Federal building, and within reasonable limits this is the duty of the Town Council. Its members should not be frightened by loud cries. At least some opponents of the Mountain alley measure are open to the suspicion of having an axe of their own to grind. It is well enough, however, to reconsider the matter with a view to arriving at a more definite and satisfactory understanding of the relative liability of the borough in connection therewith.

But aside from the merits of the measure, the wisdom of railroading ordinances through the Town Council is unquestionable. Many measures have been passed in this manner without due consideration and some of them have been most unwise. Many of them have been imperfectly understood and the full force and effect of most of them have not been measured.

Ordinances should be laid over at least from one meeting to another, and copies of the same should be furnished to the members of the Town Council when they are introduced, so that each member may have time and opportunity to consider them carefully, and to the end that he may act intelligently and wisely.

This has not been the custom in Connellville, but it is a reform which ought to be inaugurated here and now.

THE WASTE PAPER AND GARBAGE PROBLEM.

The waste paper problem is getting so serious that the Town Council has authorized the employment of a man and cart to haul away such rubbish and "street garbage."

There shouldn't be any garbage on the streets or alleys. It should be carried for by the people and sent away in the garbage wagon. The official confession that it is not so disposed of, but that some of it is thrown on the streets, is a sad one in view of all the circumstances. The practice threatens the public health.

We hope the present Town Council will waste no time in making up the garbage furnace proposition and pushing it to completion. We repeat that the collection of garbage should be thoroughly made by the borough authorities to the end that every household will be willing and happy to have his or her garbage carted away free of direct cost at frequent intervals.

Waste paper is an offensive nuisance, but decaying garbage is a deadly menace.

"Personal Journalism is prone to overlap its proper bounds in this country," says the venerable *Uniontown Herald*. It might be added that the *Herald* is one of the biggest offenders in the bunch.

The Tenth regiment has a Colonel to elect, but the privates will not be asked to hold a primary.

The giddy population of the glittering Tenth Legion has suffered a benighted, but what is Connellville's?

loss is Uniontown's gain. The Center is attractive, but there are some people whom it cannot hold.

The temptation to shed winter raiment has passed.

The Lake Erie and Ohio river ship canal is beginning to look like the real thing.

A beer bottle is a dangerous thing from any point of view.

The Waynesburg banks have faith in each other. The people ought to have as much.

Like the busy bee, The News is always industrious. A few weeks ago it had the Humboldt mill started up; but now, alas, it is dismantling it!

The war of the Slavs and Huns in the coke region is bearing fruit. The Irish have again rebelled against English rule in Ireland.

The indefatigable *Uniontown Herald* is writing whole chapters on the County Detective.

General Cortelyou will remain at the head of the Republican National Committee, but Mr. Harman will not be asked to contribute to the campaign fund.

The infant of Fayette county journalism talks about The Courier's pantheism. It is natural for children to think their elders wear the same kind of garments they do.

The Wabash hotel at Casselman has been burned down, but the Wabash right-of-way along the Casselman remains intact and undisturbed.

Many candidates for mine foremen thought they had the call, but after examination it was found that few had been chosen.

It's good weather for ducks, anyhow.

The B. & O. is impressed with the idea that Connellville is the Center.

The Tenth regiment could not elect a more capable or deserving Colonel than Major Richard Coulter, Jr. His father was "Fighting Dick," and the son is worthy of the title.

It was a cold day for Connellville's baseball aggregation.

LECTURE SUNDAY.

Rev. E. S. Wallace, Former U. S. Counsel at Jerusalem, Will Talk at the Y. M. C. A.

General Secretary Dby of the Y. M. C. A., who conducts the union teachers' meeting of Connellville, has been endeavoring to secure the services of Rev. E. S. Wallace, D. D., who was for five years United States Consul at Jerusalem, for a lecture to the Sunday School teachers and scholars on the land of Abraham, Isaac and Jacob. He has finally succeeded and Dr. Wallace will deliver that lecture in the Y. M. C. A. hall Saturday evening at 8 o'clock. Mr. Wallace is probably the most thoroughly acquainted with the Holy Land of any man living today. He is familiar with almost every foot of that interesting country. Since the Sunday school lessons have been in Genesis for several months every member of the Sunday schools should hear him. He will use a large number of colored stereoscopic slides which he had made from his own photographs and he will therefore speak with authority. The price is the usual "pop" price of ten cents.

Six jolly travelling salesmen from various parts of Pennsylvania will have charge of the Men's meeting at the Y. M. C. A. Sunday at 3 P. M. They are the most practical, helpful speakers imaginable. They have a better knowledge of human life, likely, than any other class of men and will surprise those who have never been in a Glendon meeting. The mere announcement of their coming should fill the hall. The pictures of Pilgrim's progress will be given but the remainder of attractions advertised for that meeting will be postponed till later.

SURPRISE PARTY

Tendered Rev. and Mrs. Homer Eddy of Jacob's Creek.

Rev. and Mrs. Homer Eddy were tendered an enjoyable surprise party Wednesday evening at their home at Jacob's Creek where Rev. Eddy was formerly pastor of the Baptist Church. The affair which was in the form of a donation party was arranged by a number of their friends. William Elliott, called at the Eddy residence early in the evening detailing Rev. Eddy until the guests, who numbered 35, arrived. The gathering was a complete surprise to the honor guests. Among the donations was \$7.50 in money, wearing apparel, linens and cutables. The evening was spent in a delightful manner, music being the feature of the evening.

CLASS ENTERTAINED.

Sunday School Members Guests of Miss Etta Zimmerman.

Class No. 22 of the Methodist Episcopal Sunday school was delightfully entertained Thursday evening by Miss Etta Zimmerman at her home on East Fairview avenue. During the business session held during the early part of the evening a constitution was adopted and a committee appointed to suggest a name for the class. Several weeks ago the class met at the home of Miss Anna McDuffett and organized a social club, to meet monthly at the home of the members. At the conclusion of the business session the guests devoted the remainder of the evening to various games. About 11 o'clock refreshments were served.

The dour contest is on. Start your boy or girl today. You can win if you try. Call The Courier, both phones.

Your Trade

We want a share of it. Just as much a share as this store deserves because of the goods we have here and the prices at which they are marked. If this store can not serve you better than you can be served elsewhere it would have no right to expect you to be a customer in your home store. By serving you better, we do not mean giving you occasional bargains that may seem wonderful because of their rareness, but doing better by you by day in and day out selling. By selling you dependable goods at reasonable prices. That's our reason for expecting a share of your trade, and we ask you to come and investigate and find out for yourself whether this store deserves a share of your trade and if so how much of a share.

Dress Trimmings.

You can spend as much as you like for the material, you can pay as much as you like for the making, and unless you have the right kind of trimming your dress will not be the success that you wish it to be. Most stores pay very little attention to this stock. Consider it one that pays very little profit. If you will notice the room that we give it here and the stock we carry you will know how much attention we give this stock. The best advertisement this stock could have, is the amount of trimmings that we sell to match dress goods bought elsewhere than at this store. You know about this, even if you have been buying your materials elsewhere. If you wanted exactly the right kind of trimmings you had to come to this store for them. This store does give attention and lots of it towards having exactly the right things in dress trimmings.

Under Muslins.

Muslins and all cotton goods have advanced, are still advancing in price. During the last week we have received a shipment of these made from muslins that were bought at the old prices. It means buying these garments at about cost of the material and no charge for the making, and they are made as you would have them made. This lot comprises gowns at 75 cents, \$1.00 and \$1.25. Skirts at \$1.00, \$1.50 and \$2.00, and drawers at 50 cents, 75 cents and \$1.00 the pair. About 3,000 garments in the lot. Well made and daintily trimmed with lace and embroidery.

In the Carpet Room.

In spite of the advance in the cost of woolen yarns we quote you nearly every grade of carpet at same price as last year. This means a saving to you, and this means to us that, at the advanced cost, we must sell more carpets than ever before in order to make up for it. We expect and are ready to properly care for an increased business in this department. The record of the carpets we have sold in the years past will help towards this increased business. The assortment of patterns and prices will also help. If you have a carpet thought you owe it to your pocketbook to pay this carpet room a visit.

INVESTIGATING.

Three Members of the Thaw Jury Up for Examination Over the Verdict Returned.

Publishers' Press Telegram.
NEW YORK, Apr. 19.—Three members of the jury which tried Harry Thaw were today summoned before District Attorney Smythe for examination regarding the statement made by Juror Dennee in an interview in a local paper in which he spoke of an appeal having been made to the jurors who were trying the Thaw case on the grounds that Thaw's father was a Shriner. Dennee was the only Shriner on the jury voting for Thaw's acquittal. Puff and Newton steadily voted for a verdict in the first degree murder. Other jurors may also be called.

The Douglas team is composed entirely of students of the Douglas College and are ready to arrange games with teams of their class. Address all communications to I. D. Beals, in regard to games.

It is frequently charged that the merchants are grave offenders in making the streets filthy by allowing their employees to sweep the store dirt and garbage into them. The merchants will look after this end of the question and endeavor to see that there are no transgressions of the law.

A Remarkable Showing of Stylish Skirts at \$5.00.

We want you to know the sort of skirt we're selling for \$5.00. We marked every one of them \$6.00 when they came in to cover alteration, but we find that alteration on these is very slight, so in order to sell the best \$5.00 skirt possible for you to buy, we've elected to sell these skirts that are in reality worth \$6.00 today at \$5.00. We, of course, will make a nominal charge for alteration, but this in many cases will be eliminated because of the almost absolute fit of these skirts.

Broken Lots of Skirts at Phenomenally Little Prices. Fifty Skirts in All.

Panama Skirts, were \$5.00 to \$7.50, now \$3.50.
Panama Skirts, were \$10.00 to \$12.50, now \$7.50.

The penalty of a large business is broken lots. Broken lots are a burden to active stocks, and accomplishing an immediate clearance of this class of merchandise is good business even if it is a direct monetary loss. It means an ultimate asset in the form of complete stocks.

Not a thing wrong with these skirts, absolutely stylish and worth every penny that they formerly brought, but there is only one of a kind, hence the saving to you.

The Skirts at \$3.50

All of them Panama, in black, blue or gray. No two alike. Pleated or trimmed with folds, not one worth less than \$5.00 and many worth \$7.50.

The Skirts at \$7.50

These skirts formerly retailed at from \$10.00 to \$12.50. A few Volles among these, though mostly Panamas, self-trimmed with biased straps and pleats.
